Position		Function	
Position start		Employment level (%)	

**Price per year: CHF 75.- (National Swiss) € 75.- (International)**

Press Pass validity: 12 months. The Press Pass will be delivered after the payment has been made.

I hereby confirm that I have been carrying out journalistic tasks full time for the minimum of two years and that journalism as such takes up at least 50% of my full time employment. I also hereby declare, that I have carried out my tasks to the fullest, truthfully and that I am willing to supply any additional information if needed. I have enclosed a signed form of the Declaration of the Duties and Rights of Journalists.

I am aware of the fact that the Press Pass can only be issued to professional journalists. I hereby undertake that I will use the Press Pass for journalistic purposes solely, and not for private occasions.

I am familiar with the fact that the Press Pass is in fact the property of the organization that issued the Press Pass and that the organization has the right revoke the Pass at any given time – especially in case of a misuse. In case I am no longer practicing journalism, I will return the Press Pass immediately. The same is valid in case of discharge from the Association of European Specialized Journalists. I have enclosed necessary proof of full-time journalists occupation (e.g. Employment agreement, Impressum, Artists' social insurance certificate, Lump sum contract, proof of payments for last 6 months). I accept that the certificates presented cannot replace the independent inspection by the Association.

I agree on the fact that the information given will be electronically collected, processed and used, which will serve for purposes of Press Pass issuing. According to the agreement between accredited associations, every issuing association may advise other accredited association against issuing individual Press Pass – before the issuing – in order to be able to inspect closely the eventual contestation of the Press Pass request.
